

MAGIC TRUCK WASH

VEHICLE CLEANER-PRESSURE WASHER CLEANER

DESCRIPTION

Never before has vehicle cleaning been this easy! This product is **designed to be used through a pressure washer** that allows it to quickly remove dirt, oil, grease, road film, and exhaust from aluminum or painted surfaces. Best of all, it **will not attack the surface**. A **special, ionic detergent system** quickly floats away road film without the use of brushes or other manual devices. In addition, **special sequestrants** keep equipment free of water-mineral scale. This product rinses free, **leaving no film or residue** when it is used as directed. Furthermore, it brightens aluminum surfaces without the use of acid and may be used to clean any surface soiled with dirt, oil, traffic film... This product **may also be used manually** if a pressure washer is not available.
