DIRECTIONS

DIRECTIONS FOR DISPENSING

Remove large snap cover from container. From center of towel roll, pull up a towel corner and thread through the X hole in the underside of the lid cover. Pull towel through about one inch. Replace lid cover on container, assuring a secure fit. Remaining towels feed automatically for next use. Always re-seal hinged cap after each use to insure moisture retention.

DIRECTIONS FOR USE

Open and unfold cleaning towel to full 10 1/2" x 12 1/4" size. Use orange abrasive side to scrub and instantly clean soiled hands. No need to rinse or dry hands. Dispose of used towels properly.

CAUTION

For external use only. Do not allow towel contact with eyes. Keep away from heat sources.

Authorized by the **USDA** for use in federally inspected meat and poultry plants.
