

NITRO WIPES

ALL-NATURAL DEGREASER TOWEL

DESCRIPTION

NITRO WIPES are a powerful, all-natural, degreaser towel. This product is designed for food service, industrial, and institutional applications. **NITRO WIPES** all-natural d'limonene base gives it the ability to emulsify all greases and oils including vegetable oils and animal fats, providing superior heavy-duty cleaning and degreasing power. **NITRO WIPES** are especially effective in food processing facilities and industrial/automotive areas. Because of its degreasing properties combined with a highly absorbent, abrasive, non-scratching towel provides for a one-step degreasing solution. This product does not contain any hazardous solvents, and can be used safely with minimal protective equipment.

BENEFITS - FEATURES

- * Highly absorbent towel
- * Powerful
- * All Natural
- * Effectively removes Carbon
- * Cuts through tough grease
- * Great for cleaning vertical surfaces

ADVANTAGES

- * One Step Degreaser
- * Heavy Duty Citrus Power
- * Quickly Dissolves Grease

WHERE TO USE

- * Equipment
- * Ceramic Tile
- * Stainless Steel
- * Engines
- * Quarry Tile
- * Metals
- * Aluminum
- * Concrete
- * Tools
- * Marble
- * Formica
- * Printing Presses
- * Enamel
- * Rollers
- * Finished Wood

RECOMMENDED FOR

- * Schools
- * Offices
- * Automotive Dealers
- * Restaurants
- * Hotels/Motels
- * Bowling Alleys
- * Foundries
- * Hospitals
- * Airports
- * Nursing Homes

DIRECTIONS

DIRECTIONS FOR DISPENSING

Remove lid from container. From center of towel roll, pull up a towel corner, twist into a point and thread through the "X" hole in the underside of the lid. Pull towel through about one inch. Replace lid on container, assuring a secure fit. Pull out first towel and snap off at 90° angle. Remaining towels feed automatically for next use. Always reseal hinged cap after each use to insure moisture retention.

DIRECTIONS FOR USE

Open and unfold towel to full size. Test in inconspicuous area to determine suitability. Use abrasive side of towel to scrub and degrease.

NITRO WIPES are also safe to clean laminate, finished wood, porcelain, marble, ceramic tile, enamel, vinyl tile, stainless steel, aluminum, brass/other metals, butcher blocks, exhaust hoods and screens, printing presses, rollers, blankets and ink fountains, quarry tile, concrete and stone floors, linoleum, industrial equipment, auto engines, whitewall tires, concrete and stone floors, leather, carpet, and upholstery (spot cleaning).

CAUTION

Do not allow towel contact with eyes. Wash thoroughly after handling. Wash contaminated clothing before reuse. Store in a well-ventilated area away from excessive heat, direct sunlight, and other ignition sources. Keep container tightly sealed when not in use. Do not contaminate water, food or feed by use or storage.

Authorized by USDA for use in federally inspected meat and poultry plants.
