

REMOVES-ALL

GRAFFITI REMOVER TOWELS

DESCRIPTION

REMOVES-ALL is a unique, one-step product that contains a high quality graffiti remover in its formulation. **REMOVES-ALL** gets rid of all those unwanted areas that have been marred or damaged by vandals. This highly absorbent, abrasive, non-scratching towel will penetrate, loosen, breakdown and dissolve graffiti while absorbing and holding the residue without redepositing contaminants back onto the surfaces being cleaned. Schools, institutions, restaurants, shopping malls, office buildings, airports, and super markets **REMOVES-ALL** their problems away!

- * Airports
- * Restaurants
- * Supermarkets
- * Factories
- * Country Clubs
- * Printing Shops
- * Schools
- * Hospitals
- * Fleet Owners
- * Office Buildings
- * Shopping Malls

DIRECTIONS

DIRECTIONS FOR DISPENSING

Remove large snap cover from container. From center of towel roll, pull up a towel corner and thread through the X hole in the underside of the lid cover. Pull towel through about one inch. Replace lid cover on container, assuring a secure fit. Pull out first towel and snap off at 90° angle. Remaining towels feed automatically for next use.

Always re-seal hinged cap after each use to insure moisture retention.

DIRECTIONS FOR USE

Pull towel from container and open to full size. Pre-wet marked area with towel, leaving the remover formulation on marks. After marked area has been initially wetted, begin

removing marks in a circular wiping motion. If heavy build-up exists, reapply and continue wiping until marks are removed. May not be as effective on marks that have been on surface for an extended period of time.

CAUTION: For external use only. Do not allow towel contact with eyes. Keep away from heat sources.

SPECIFICATIONS

Fragrance.....Banana
 Appearance.....Tan Towel
 pH.....6.5

Solubility.....Dispersable
 Boiling point.....212°F
 Specific gravity.....0.97

Freeze/thaw stability.....Keep from Freezing
 Shelf life.....1 yr. min
