GLASS & HARD SURFACE CLEANER

DESCRIPTION

This product provides an outstanding performance in a **convenient, ready-to-use, aerosol package**. Because of its chemical action, this multi-purpose, hard working formula cleans **without requiring excessive rubbing**, and it is ideal for almost any surface. It is **fortified with ammonia** to clean and dry fast **without leaving any streaks or residue**. Furthermore, this product is perfect for small clean ups or on large surface areas. The **fast-foaming action** stays where you spray it and quickly lifts away soils. This product is convenient and powerful; however, it does not contain ozone-damaging propellant or harmful abrasives. This glass and hard surface cleaner makes all cleaning tasks quick and easy, and its **unique spray pattern** evenly covers a wide surface area for maximum, economical use.
