

# SPEEDY

## ODORLESS DRAIN MAINTAINER & OPENER

### DESCRIPTION

This is a liquid, non-acid drain opener. With a new improved formulation of potassium hydroxide and other blended chemicals formulated specifically for cleaning clogged and slow flowing drains. Effective for clearing hair, uric salts and cold-water slime while not harming pipes fittings or septic systems.

### BENEFITS - FEATURES

- \* Dissolves hair
- \* Flushes slime from urinal traps
- \* Eliminates cold water slime
- \* No fumes
- \* Will not affect septic systems
- \* Will not harm pipes, fittings, or packing

### ADVANTAGES

- \* Restores drains to full flow
- \* Pleasantly scented
- \* Biodegradable

### WHERE TO USE

- \* Sinks
- \* Bathubs
- \* Showers
- \* Urinals
- \* Floor Drains
- \* Drinking Fountains
- \* Condensate Drains
- \* X-ray sinks

### RECOMMENDED FOR

- \* Schools
- \* Hospitals
- \* Nursing Homes
- \* Office Complexes
- \* Veterinarians
- \* Hotels/Motels
- \* Industrial Plants
- \* Health Clubs

### DIRECTIONS

Remove as much water from the basin as possible. Slowly pour this drain opener directly into the drain. Let stand 15 minutes. Flush tap water. This product gets drains clean from sink to sewer or septic tank by dissolving grease, lint, hair, and other organic matter.

#### DO NOT USE IN ALUMINUM VESSELS

Extremely cold temperatures may cause this product to cloud, but this will have no impact on its effectiveness.  
SHAKE WELL BEFORE USING.

#### KEEP OUT OF REACH OF CHILDREN

Avoid contact with skin and eyes. Harmful if swallowed. Avoid contact with food. Always wear protective face shield and rubber gloves when using this product.

### SPECIFICATIONS
