

STEEL-ONE

STAINLESS STEEL CLEANER/POLISH TOWELS

DESCRIPTION

STEEL-ONE is a unique cleaner and polishing towel that removes smudges, fingerprints, water spots and grease build-up without leaving a greasy film. **STEEL-ONE** forms a thin satin-sheen finish that will not build-up and it resists water marks and fingerprints while leaving behind a shiny polished finish.

BENEFITS - FEATURES

- * Country Clubs
- * Office Buildings
- * Government Buildings
- * Hotels
- * Motels
- * Churches
- * Airports
- * Factories
- * Supermarkets

DIRECTIONS

Scrub surface with abrasive side of towel until stains and deposits disappear. Use the smooth side to wipe the surface clean. Discard used towel. For a super shine, buff lightly with a soft towel after application.

DIRECTIONS FOR DISPENSING:

Remove lid. Pull towels from the center of the roll and thread through X on underside of the lid. Close lid. Pull towel out of canister and snap towel at a 90° angle. Be sure to snap hinged cap back into place to ensure towels stay moist.
