

SWIPE

BASEBOARD CLEANER AND STRIPPER

DESCRIPTION

This is a heavy-duty cleaner designed specifically to remove the toughest soil and wax build-ups. Its **penetrating foam** cleans and strips **where a floor machine can't reach**. It will **quickly remove multiple coats** of floor finish or wax accumulation from baseboards, coves, stairs, and other hard-to-get areas. Its **convenient, aerosol package** (that incorporates an inverted valve) provides easy use for a wide variety of applications where **superior cleaning** strength is required. It is a real labor and time-saver.

BENEFITS - FEATURES

- * Convenient
- * Powerful
- * Pleasantly scented
- * Rinse-free
- * Versatile

ADVANTAGES

- * Just point and spray for easy application
- * Clinging foam action dissolves layers of soil and build-up
