

WEED EATER

CANNABIS SMOKE ODOR ELIMINATOR

DESCRIPTION

WEED EATER eliminates unpleasant odors left behind from cannabis smoke. **WEED EATER** works through a two-fold process. This product contains a new generation fragrance that reconfigure the malodor so that human senses do not detect the obnoxious smell. This product will continue to work through a microbial process that absorbs odors molecules and terpenes, leaving the treated surfaces with a fresh clean fragrance.

DIRECTIONS

Apply through mist-type sprayer for best results. To eliminate cannabis smoke odors from drapes, carpeting, upholstery, porous materials and other textiles, spray directly onto the surface. Insure to saturate cloth materials to insure solution reaches the source of the odor. Allow product to air dry. Can be used in auto interiors by spraying on fabrics and in air handling unit or wiping on surfaces. When spraying textiles, test on an inconspicuous area, for color fastness before use. Use caution when spraying silk products or fabrics affected by water.
