

# ESSENCE

## ODOR COUNTERACTANT

### DESCRIPTION

**ESSENCE** is a powerful formula designed to eliminate malodors at their source by using a proprietary blend of essential aromatic oils and the power of Freshen Plus. This unique ingredient destroys the odor causing molecules and provides a long lasting fragrance that stimulates the senses. **ESSENCE** is a versatile, ready to use product that is safe on textiles or on surfaces that are water safe. This product will provide your facility with a long lasting first impression.

### DIRECTIONS

**DIRECTIONS:** As a Space Spray: Insert a spray pump attachment and tighten. Spray toward the center of the room and allow fragrance to bloom.

As a Contact Spray: Lightly mist on surfaces like carpet, linen, upholstery, draperies and other fabrics or porous material.

**NOTE:** **Essence** is safe on virtually all fabric. It is recommended that fabric is tested to be color fast and for water spotting.

**FIRST AID:** In case of contact with EYES flush eyes with water. If on skin, wash with soap and water. If irritation persists, get medical attention
