## GRAFFITI REMOVER

### DESCRIPTION

This exclusive blend of penetrating solvents quickly **restores surfaces** that have been marred by graffiti. Areas can be beautified by removing unsightly scuff marks and road tar. This product is safe on many surfaces and can be used in washrooms, on sidewalks, laminate tops, vehicles, mirrors, and buildings. The **jell formulation clings to vertical surfaces for better penetration and removal of embedded graffiti**. Furthermore, left over **residue easily flushes away** with water. This graffiti remover often "works magic" on vandalism-marred surfaces.
