

NITRO FOAM

CITRUS FOAMING CLEANER/DEGREASER

DESCRIPTION

NITRO FOAM is an amazing powerful, all-natural, multi-purpose, foaming aerosol cleaner/degreaser/deodorizer. Its unique, multi-purpose formulation strips grease and heavy oil deposits from virtually any surface. **NITRO FOAM** is designed for food service, industrial, and institutional applications. Due to its ability to emulsify vegetable oils and animal fats, and its superior heavy-duty cleaning and degreasing power, **NITRO FOAM** is especially effective in food processing facilities and industrial/automotive areas. Because of its foaming properties, **NITRO FOAM** is particularly effective for cleaning vertical surfaces.
