ONE SHOT
VEHICLE WASH AND WAX

DESCRIPTION

This vehicle wash and wax is an economical, liquid concentrate that contains a **synergistic blend of special synthetic detergents, emulsifiers, and wetting agents**. This product simultaneously **cleans** and **polishes** while leaving a lustrous, hand-waxed, mirrored appearance. At the same time, it quickly loosens and floats away dirt, dust, grime, insects, and road film. Furthermore, it does not contain any film-forming soaps, and it **will not dull, waterspot, or streak** painted surfaces, windows, or chrome. In addition, as little as one ounce per gallon of water provides mountains of active suds that thoroughly cleans and rinses free. It also **helps lubricate brushes;** aiding in their efficient use.

BENEFITS - FEATURES

* Labor-saving
* Versatile
* Concentrated

ADVANTAGES

* Hand or automatic washing operations

WHERE TO USE

* Vehicles
* Airplanes
* School Buses
* Tractor Trailers

RECOMMENDED FOR

* Bus Barns
* Truck Maintenance Crews
* Car Wash
* Municipalities
* Dealerships
* Automobile Fleets

DIRECTIONS

Use 1/2 to 2 oz. per gallon of water.

Requires no authorization by USDA prior to its use in offices and other similar nonprocessing areas.
