

RADENE

TOTAL RESTROOM CLEANER

DESCRIPTION

RADENE has been developed to be the perfect ready-to-use total restroom cleaner. **RADENE** sprays on as a thick foam that clings to vertical surfaces eliminating running while breaking down lotions, makeup, body oils, soap scum, calcium, iron deposits, cold water slime and much more from all restroom surfaces. Use **RADENE** for cleaning tile, grout lines, porcelain, fiberglass, cultured marble, stainless steel, brass, rubber and copper. **RADENE** eliminates soils where germs and odors live.
