

SURE SCENT

CONCENTRATED MALODOR SUPPRESSANT

DESCRIPTION

SURE SCENT is a **concentrated, odor counteractant** that destroys malodor molecules by the process of ozonization. It is a proprietary blend of organic essential oils. **SURE SCENT** formulation instantly **destroys malodors and leaves a fresh, natural fragrance** behind. Its **highly concentrated** formulation is effective at **dilutions up to 1:256** (with water) and gives the lowest end-use cost of any odor counteractant available.
