- * Show Rooms
- * Country Clubs
- * Office Buildings
- * Government Buildings
- * Hotels
- * Motels
- * Churches
- * Airports
- * Factories
- * Supermarkets

DIRECTIONS

1. Shake container gently before using and occasionally during use.
2. Hold container so that spray opening is about 6' to 8' (1/5m) from the surface to be polished. Apply a light, continuous coating of polish.
3. Do not allow spray to dry; wipe immediately with a soft, clean cloth. Turn cloth over occasionally.

4. For polishing table or chair legs, or to use on small areas, spray onto clean cloth. Then, use to polish as you clean.

ATTENTION: Do not get spray, mist, or polish on walked-upon surfaces. They could become slippery-especially when wet.
